Session Snippets

Here are a few snippets from our Stated Session Meeting on April 21

- Chip Blankinship moderated our Session meeting
 - Guest, Keith Ellison gave a very detailed report to the Session about the quality of our worship live stream and how to improve the experience for our members who attend worship virtually. Options for potential new equipment and stronger streaming capabilities were presented.
 - Jim Carter was elected as Treasurer through December 14, 2022.
 - Our membership register stands at 179.
 - The Session will appoint the Interim Pastor Nominating Committee. Greg Stewart and Bennett Brown agreed to serve as the Session members on the committee. Session members suggested a list of congregational members who might also serve on the committee. We will announce the members of the committee once it is formed.
 - The Session voted to move forward with the Holy Cow Cat Scan— a congregational assessment tool that will be used to help inform the Pastor Nominating Committee, the Session, and the congregation. Much more information will be forthcoming.
